COMMISSION SEEKS EXHIBITORS FOR ENVIRONMENTAL ED STATE SYMPOSIUM

Be a part of an exciting annual event by promoting your business, agency or organization and interacting with environmental educators from all over Louisiana and surrounding states. The Environmental Education State Symposium, held this year at the Baton Rouge Marriott on February 27 and 28, 2015, is the state's premier environmental education conference, and provides attendees with two days of professional development and networking opportunities.

Exhibitors enjoy prominent placement in proximity to the Friday mixer, Saturday concurrent sessions, and the luncheon.

Exhibitors meet with formal and non-formal educators, pre-professionals and other industry professionals.

Exhibitors will take center stage at this year's opening mixer featuring traditional hors d'oeuvres and a *bug tasting* event hosted Friday February 27 by the Audubon Nature Institute.

Find the exhibitor information letter [here](#) and the exhibitor registration form can be found [here](#). Exhibitors who wish to register online should contact Thomas Gresham at tgresham@wlf.la.gov. More information about the event can be found at <http://www.wlf.louisiana.gov/louisiana-environmental-education-symposium>.
